SPONSORSHIP OPPORTUNITIES

ABOUT

Since its inception, Klyde Warren Park's movie series has hosted thousands of families from across the region. Last year, this community investment became even more important, as the Park's movies were the only free and ongoing outdoor entertainment offered anywhere in the city. When North Texans were finally able to eat on restaurant patios, attend drive-in movies and purchase tickets to socially distanced football games, where did families go if they could not afford to dine out, didn't have a car, or were unable to buy expensive game tickets? They came to Klyde Warren Park.

With low-income families hit the hardest by the current recession, and minorities disproportionately affected by the pandemic, visiting Klyde Warren Park has remained the only true recreation many look forward to. Please consider sponsorship of this important and popular outlet for the community, and allow Klyde Warren Park to do what it does best: bring people together in a safe way to create special memories with their loved ones.
