OVERVIEW

Located in the heart of Dallas, Klyde Warren Park is a treasure that draws the public to its open space and enticing amusements daily. The Park is the ideal venue for a variety of public and private events. Situated between two of the city’s most exciting neighborhoods, the Arts District and Uptown, the Park offers a magnificent view of downtown Dallas’ rich architecture and dramatic skyline in a serene setting perfect for concerts, weddings, product launches and other special gatherings. Klyde Warren Park was created to enrich the city by serving as a green space for social, cultural, and civic events. In furtherance of this goal, the Woodall Rodgers Park Foundation, the non-profit organization that manages the Park, has established the following guidelines for events in the Park. We look forward to working with you to ensure your event is successful and memorable.

Klyde Warren Park is open from 6 a.m. to 11 p.m. All visitors must comply with posted rules and directions from Park personnel. An individual or group can freely visit the Park without a permit. A permit is required for a public event if you intend to:

- Reserve an area of the Park at a particular time
- Affix anything to Park property or set up a table
- Bring in and employ a structure larger than 4’ x 4’
- Sell or advertise a product or service on park grounds
- Use amplified sound

A permit is required and a rental fee will be charged for any activity that involves a set-up of equipment or restricts access to a specific area of the Park for invited or paying guests (a “private event”). A permit and rental fee are also required for filming or photography that will restrict the use of any area of the Park, will use equipment more extensive than a single tripod or is for commercial purposes.

EVENT PLANNING GUIDE

This Event Planning Guide, a part of your Event Agreement, has been designed to deliver important information in a format that is easy to read and navigate. Please read all the relevant parts carefully. Keep in mind that prices and regulations are subject to change. We periodically update the information contained in this guide.

Since every event is different, our policies, rules, and regulations cannot cover every possible scenario. Klyde Warren Park reserves the right to modify rules contained within the Event Planning Guide on an as-needed basis. Our only purpose is to ensure the success of your event and while enhancing the experience and keeping safety of all our visitors as a top priority.

For large-scale events, we recommend that you submit the Event Application at least three to six months prior to your preferred event date(s). For smaller events, we recommend that you submit the Event Application one to two months in advance. Fees cannot be estimated until an Event Application has been submitted and reviewed by the Events Department. Event organizers (Customers) are required to provide a Certificate of Insurance upon signing a rental agreement.

EVENT MANAGER

Each event at Klyde Warren Park is assigned a dedicated Event Manager. Your Event Manager will be your single point of contact throughout the event planning process and will support you in orchestrating and executing every aspect of your event.

PERMIT

To apply for a permit, please visit (insert link here) and fill out the required information. An Event Manager will be in touch with you within 24 hours to discuss your application. Please note that filling out an application does not guarantee your event will be approved. While we will make every effort to accommodate your preferred schedule, Klyde Warren Park serves as a venue for numerous events and may not be able to host your event on the exact date and time requested.
